## WILDLIFE IS EVERYWHERE & EVERYWHERE IS WILD!

### Locally we have three owls worth watching out for

Keep a look out at dusk for the pale, ghostly sight of a barn owl.

**The Barn Owl** is the largest of the three, a stunningly beautiful bird with golden/buff coloured upper-parts laced with silver grey and white under-parts. It has a distinctive white heart shaped face and when seen in flight the overall impression is of a large white bird.

These beautiful birds have become an infrequent site in our countryside because of habitat loss and a great reduction in suitable nesting sites. We now have fewer barns and also mature hollow trees which would previously have provided nesting sites.

Barn Owls like to hunt over rough grassland which is a naturally rodent-rich habitat. They eat a diet of mice, voles and shrews. They can be seen all the year round, in the day, but best at dusk.

### The tawny owl

is an owl the size of a pigeon. It has a rounded body and head, with a ring of dark feathers around its face surrounding the dark eyes. It is mainly reddish brown above and paler underneath.

It is nocturnal, and therefore difficult to see, but you will often hear it calling at night and is the owl with the classic toowhit toowhoo call.

The Tawny Owl roosts in tree trunks or amongst ivy. It eats a diet of small mammals, small birds, frogs, fish and worms. Look for pellets beneath roosting places.

**The little owl** was introduced to this country in 19C. It can be seen in day-

light and is the owl likely to be seen perched on posts or telegraph poles. It hunts at night and at dawn, eating small mammals, beetles and worms.

It's size is somewhere between a robin and a blackbird.

**These three owls can be seen around our villages. All three have suffered loss of suitable roosting and nesting sites in recent years. You might like to consider installing nest boxes on suitable sites.**

### STOP PRESS

Keep an eye out for the Lesser Redpoll, a rare site but recently seen at a bird table near you.

# Mapledurwell & Up Nately

The launch of the **Mapledurwell Victoria County History book** was very successful. We had some interesting speakers who are very involved in the VCH and enjoyed a photo reel of views of historic Mapledurwell.

If anyone who missed the evening and would like a copy (£5) please call me (Lorna Cuthill) on 354 651.

## History of Mapledurwell

On 12th March Mapledurwell village hall hosted the launch of a new parish history published by the 'New Victoria History' of Hampshire group.

By transcribing wills and censuses, studying archives and maps, local researchers, guided by academics at London, Oxford and Winchester universities, have traced how Mapledurwell developed from an agricultural community producing textiles and later malt, into a modern commuter village with only one working farm.

The book provides a fascinating history of the village's economy and society highlighting the lives of ordinary people, the ownership of land and property, religion and a detailed history of elementary education revealing the appalling sanitary conditions suffered by pupils at the local school.

*Mapledurwell, The Victoria History of Hampshire:* London 2012, by John Hare, Jean Morrin and Stan Waight, is the first paperback in the country to be published under the 'New VCH' title and establishes a model for future histories of other rural parishes.

## POLICE UPDATE

Dear Residents

I am pleased to note a lack of reported crime within the areas covered by this magazine. Generally, reported crime in all areas has been low.

However we are receiving numerous reports of vehicles parked near the motorway and main road junctions where oncoming vehicles are being stopped and the occupants told that a car has run out of petrol and its owner has no money, sometimes jewellery is offered for sale. This is scam and we advise anyone who is stopped not to give any money and if possible take the alleged 'broken down' car's registration number and please call the Police on 101.

I also wish to thank the many residents who have reported suspicious vehicles. I appreciate anyone taking the time to call in and can assure you that I do make further enquiries concerning the vehicles' registration, owners etc. If involved in any form of criminality I will have markers added to the vehicle in order that it is stopped by Police and details of the occupants are obtained.

As well as this being extremely important for us to know who is about in our area, it also lets the people in the vehicles know that they have been spotted and their details taken. Recently a van was seen in the area and checks found it to be associated with a known rural criminal who has a tendency to steal from houses, outbuildings and gardens all in rural areas.

On a similar vain, a yellow Citroen Saxo Y973 \*\*\* saloon car was seen outside Newnham church recently. If you any suspicious vehicles parked near our churches please give us a call, sadly we do suffer from theft from our churches.

Many thanks

Our new second stage called Lowde Fest Unplugged will showcase the best of this new talent. ### PARISH COUNCIL NEWS

#### Newnham Green Protection Association (NGPA)

Originally founded by Jennifer and Patrick Hedley-Dent of Newnham Green Farm in 1969, the NGPA has worked to protect the Green environment and gathered subscriptions towards funding its maintenance.

A report by Jenny Hedley-Dent says that, 'at the PC Meeting on the 21st May 1969 a motion for the approval of the formation of the NGPA was proposed and carried unanimously'. Subsequently a meeting was held in the Clubroom on 12th June 1969 'to form a residents' association for the preservation of Newnham Green'.

The following was taken from the NGPA report to the Parish Assembly of 2005:

'The [NGPA] AGM was held on the 5th April with the largest turnout in history.

*Committee changes included: Patrick Hedley-Dent resigned and Jeff Ford took the Chairman position; Jennifer Hedley-Dent resigned but stayed a committee member and Malcolm Buchan took the position of Deputy; Martin Glover remained secretary; Alex Cresswell remained Treasurer; Parish Council Representative was Roger Booth. The Chairman thanked Mr Hedley-Dent.'*

Thanks are now due on behalf of Newnham residents and the Parish Council to Jeff Ford (Chairman) and Martyn Glover (Secretary); also to Alex Cresswell (Treasurer) who moved away from Newnham in Autumn 2011. Martyn Glover resigned at the end of 2012. The Parish Council held a meeting with Jeff Ford on 15th January 2013 and agreed to disband the NGPA.

Any funds remaining in the account at the end of 2012/13 will be transferred to the Parish Council and put towards re-planting on the Green.

**PC Reid** conducted a speed check in Newnham Road, 8pm Monday 25th Mar.

**Next Parish Council Meeting** will be the AGM on Thursday 16th May.

### ST NICHOLAS NEWNHAM

**Police Notice: Please be vigilant** On Monday 18th March at 11.15am Church Warden, Jeff Ford, was in the church gallery when he heard the front door open. He looked down but could not see anyone; he went out to the lych gate and saw a yellow Citroen Saxo registration number Y973 SGM.

The man with the car was about 5ft 9ins tall, white with dark hair, medium build, middle aged and scruffy. He said he had run out of fuel and had come along the lane to fill up away from the traffic. Sure enough he had a petrol can and proceeded to pour fuel into the tank. But the engine started immediately, suggesting it hadn't run out.

Mr Ford emailed PC Reid who found that the vehicle has no registered owner but is insured to a Farnborough man who has 60 offences and 21 convictions to his name. He has previously been seen at churches in Mattingley, Eversley, South Warnborough, Hartley Witney, Rotherwick and other areas.

PC Reid believes that Jeff Ford fortunately prevented some form of theft from St Nicholas' and asks us all to report any sightings of the this car to him, or if he is unavailable, the Police, as soon as possible.

## THE HOUSING DEBATE FLARES UP

The Council Cabinet met on 28th February to decide site selection for housing in the next 15 years. This was a crowded meeting with over 100 members of the public present and some 50 speakers. Many of the speakers were from Overton and Whitchurch, incensed that the recommendations, given at short notice, added more houses than their villages could cope with. Their objections reflected the views of many throughout the Borough, ie village amenities, traffic and other infrastructure deficits. They may have come to the party late but those at the meeting echoed the view that the Borough has built its share of houses and that we cannot take the excessive numbers being forced on us now.

## TOTAL HOUSING NUMBERS

At this Cabinet meeting the Council Leader confirmed that the total housing numbers across the Borough (730-770 hpa) is still not final. Other members of the Cabinet echoed this view - Councillor Golding said if the infrastructure could not support the

housing numbers 'then the numbers will have to come down'.

## REDLANDS FARM (SOL002)

Some good news from the Cabinet decision was the deletion of Redlands Farm (SOL002, east of Taylors Farm) from the preferred site list. We now know that the SE plan has at last been revoked and it is no longer necessary to consider 945 hpa as an option.

## PYOTTS HILL (BAS121)

Unfortunately Pyotts Hill (BAS121) remains in the list, recommended for 900 houses despite the owners, Hampshire CC, saying they will promote only 450. One public speaker with a long background in the Pharmaceutical Industry highlighted the continuing debate around alleged health issues living close to Incinerators. He suggested that if BAS121 is developed there is an ideal opportunity to test these claims and counter claims with the Developers and Councils funding a 10 year research programme amongst the new residents. He gave a long list of medical conditions which could be investigated.

## POTENTIAL FOR HOUSING IN TADLEY

The Cabinet, like SOLVE and CountryWatch, shared concerns that Tadley, the second largest settlement in the Borough, has no allocated sites. This is despite a desire for housing and a number of sites being put forward which could contribute some 1,000 houses. Unfortunately the Office of Nuclear Regulation (ONR) advice over safety issues around the AWE meant the Borough Officers were reluctant to recommend development here. This reluctance was not shared by the Secretary of State, Eric Pickles, when at appeal in 2011, he said the risk to the general public was extremely remote and agreed to a 115 homes development, Boundary Hall, much closer to the AWE than other sites currently in the frame. Using Tadley sites could reduce the need for so many houses in the NE of the Borough. We are pursuing this further with the help of MPs and Councillors.

**Further work is required, particularly on infrastructure. It is understood that the Cabinet recommendations will go to the full Council on 21st March.**

## Rowan Lodge Nursing Home

We've enjoyed a good month at Rowan Lodge starting off with our 'Wings of Freedom' Bird display which had everybody enthralled by Audrey the red-tailed Harris Hawk, and Rocky the beautiful Barn Owl (pictured here with Natalie one of our Pink Ladies). Staff and residents held them both on gloved hands, beautifully gentle, a fascinating fact-filled afternoon for us all. We will most definitely ask them to come back in the summer perhaps with more birds in tow.

Our lower ground floor of the home finally opened its doors for more people to come and live with us on Monday 4th of March, the red ribbon was proudly cut by one of our VIP gentlemen who live at Rowan. It's great to have the whole home open now, we have come a long way in a short space of time. We then had our Red Nose Comic Relief coffee morning which thank you to all of your support was a great success and raised a grand total of £133!! We had a raffle, a super selection of cakes to buy and a lovely social morning was had by all. Hope you have all enjoyed your Easter Weekend, time goes so fast I can't believe it's Easter already.

## WHITEWATER MOVIES SHOWING 'ARGO' Supper and film night

**On Saturday 20th April** there will be a supper at the Village Hall and we will be showing the Oscar winning film, ARGO.

All are welcome, ticket price £12.

Based on true events, ARGO is the story of a stealth mission to rescue six Americans, which unfolds behind the scenes of the Iran hostage crisis. On November 4th 1979, militants storm the US embassy in Tehran, taking 52 Americans hostage. But six Americans manage to slip away and find refuge in the home of the Canadian ambassador and the CIA are ordered to get them out of the country. Tense, exciting and often darkly comic, Argo recreates an historical event with vivid attention to detail and finely wrought characters.

*Ben Affleck, Alan Arkin. Running time 2 hours*

Payment will be accepted at the door (cash or cheques made payable to Whitewater Movies), but please let us know by **Wednesday 17th April** if you will be attending, so catering arrangements can be made. Doors open 7pm, supper at 7.15 followed by film.

## An Easter Thank You

As always very many thanks to all those who decorated, cleaned and prepared our churches for the Easter worship this year, also to those who enabled the worship to happen. I know there is an army of behind the scenes people who rarely receive public thanks for the time they give to the many jobs that have to be done in church – but I am truly grateful to you all!!

## Mid-week Holy Communion

There is a monthly celebration of Holy Communion at The Dower House, Greywell, and a group of us meet to worship, pray and think about our faith – and to enjoy coffee and cake afterwards! If you would like to join us we shall be meeting on April 18th at 11am. Please call Rev Jane to confirm details, or if you would like a lift.

## Lent 2013

**The Lent Lunches** were all very happy and sociable occasions – many thanks to the hosts (Sarah and David Hooper, Judy James, Maureen and John Ashworth and the Leesess) – and to all those who attended and gave so generously for Help Hoima. The total raised including Gift Aid was just over £1000 which is wonderful and will be a really worthwhile contribution to the on-going work with mothers and children in Hoima, Uganda.

**The Lent talks** given by Fr Timothy Bavin of Alton Abbey were much appreciated by all those who attended – about 50 each week from across the benefice.

**A good collection of food stuffs** was made for the Camrose Centre in Basingstoke, for which they were very grateful.

## Annual Parochial Church Meeting

Wednesday April 17th at 8pm at Mapledurwell Village Hall. This is the AGM of the local church – do come along to hear about the happenings of the last year and, if you are on the church electoral roll, to play your part in the local process of electing churchwardens and PCC members.

## The Friends of St Nicholas' Newnham

We're planning a major fundraiser for the Friends of St Nicholas' Church at Newnham on the evening of October 18th. More will be revealed over the coming months but we would love your support so please make a note of the date in your diaries now!!

## HELP HOIMA UGANDA NEWS

We have recently launched our new website

<http://www.helpoima.org.uk/> which contains lots of information, news and photos of what we have been up to. We are also on Facebook and Twitter so please 'like us' or 'follow us' to keep up-to-date with on-going projects and events such as the Uganda Bike Ride taking place later this year.

## NORTH HAMPSHIRE DOWNS MOTHERS' UNION

### Knitting Project

At our February meeting we started on our knitting project. This year we are knitting clothes for impoverished babies and children in Romania and shall be sending the items to the charity 'Children in Distress' which runs hospices and care centres in that country. They need knitted clothing for children ranging from toddlers to teens.

We shall be collecting together the results of our labours at our meeting on 19th September. If anyone else is interested in knitting clothes for us to send, please contact Jane Seymour, on 702 466.

### North Hampshire Child Contact Centre

'We have had some real progress in the last few months moving families out of the Centre into more normal contact, first in public places such as the cinema, the sports centre and eventually, we hope, into the non-resident parent's home.

'We have listened to the hopes of the non-resident parents, the worries of the resident parents and just enjoyed the children, and I must thank yet again all the volunteers from the Mothers Union and from churches and villages all over the benefice for making the Centre such a welcoming, safe and calming place for these parents and children to rebuild their relationships into one where the children can be nurtured by both parents in their new lives.'

'Thank you to all of you who pray for us, who support our fundraising and if you are interested in visiting with a view to volunteering in the future on a Saturday afternoon now and then please do talk to one of us, Caroline Scull, Sue Murphy, Carol Kirkpatrick, Linda Scard.'

### April events

Instead of our usual monthly meeting, we shall be attending the **MU Diocesan Festival Service** at 11am in Romsey Abbey on Wednesday 17th then on **Wednesday 24th we shall be holding a Coffee Morning in All Saints', Odiham** from 10-12 noon to raise money for the Mothers' Union Family Holiday.

To know more, ring Sue Murphy, MU Leader on 01252 845011.

Dear Friends,

I am one of those people who are not very good with money. I've been involved with many different organisations and committees over the years, but I've never volunteered for the role of treasurer because budgets,

balance sheets and 'doing the books' are a complete anathema to me! So I've always relied on a good treasurer to keep the parish finances under control and to advise me on how the income/expenditure is shaping up. And in Jon Webster from Mapledurwell the United Parish has an excellent treasurer!

But I do know that the Church is no different to any other organisation in that it needs money to keep going, to maintain its buildings and to enable it to do its work. These days it no longer has the enormous historic reserves that it once had and there is no government provision for the upkeep of our ancient buildings – and so the Diocese of Winchester has to look to the local parishes and benefices to provide all that is needed.

It is relatively easy in our little villages to find those who are willing to support the upkeep and preservation of our church buildings. They are beautiful and historic, they hold the story of the village on their walls and in their graveyards and even those who rarely come to worship in them rightly feel a real sense of ownership and pride in 'our village church'.

But it is less easy to encourage people to give financial support to the on-going work of the church – the regular worship, the pastoral care and the 'hatch, match and dispatch' ministry which is my daily work, week in, week out. Each church has to pay its 'share' of the total ministry of the diocese and that money is used wisely and carefully, mostly to pay for the salaries, pensions, houses and training of the clergy, without who those lovely old buildings would be made redundant, closed, interesting to look at but no longer alive and active in the community.

I know some of you already give very generously, as a response to the many wonderful ways that God has blessed you in your lives – and for that thank you. But I would ask you all to think about how important it is to you that we maintain a living church in your village – a church where God is worshipped, prayers are offered and our families can mark those special life events. Is it as important as your daily paper? Is it as important as a bottle of wine at dinner once a week? Is it as important as your annual membership of the golf club? Would you be prepared to support the church on a regular basis in the same way?

The Parish Giving Scheme makes this really easy to do and your local church will benefit from having a regular income so it can draw up its budgets and plan for the work it wants to do. You might have recently received a letter asking you to help – or you may well do soon – and if you don't know the name of your local village church treasurer or church warden you can contact me or Jon Webster (811 523) and we will point you in the right direction for more information. Please think about this and see if you can help. And thank you!

With love to you all

*Jane*
