| | <p>iii. To consider request from The Whitewater Valley Preservation Society to support Rural Hart Association</p> <p>The inclusion of the new settlement in the Hart Local Plan had been discussed at the recent AGM of the Whitewater Valley Preservation Society, as the area of search included the catchment of the River Whitewater. The WVPS had forwarded a request by the RHA for pledges of funds to support developing an evidence base (principally an outline design for the regeneration for Fleet) to be used in future representations against the inclusion of the new settlement in the Local Plan. This was discussed and it was resolved to support this in principle and make a token pledge of £100 to the RHA (proposed by EoM and seconded by HM). The Clerk would also enquire how the RHA would circulate this request to residents of Greywell.</p> | Clerk | | | | | | | | | | | | |
